Dear Parents/Guardians of Team Navigators students,

Team Navigators has two upcoming field trips as a celebration of the end of the school year. The first trip will be on Thursday, June 15. We will be going to Keyes Field for the day. The second trip will be on Tuesday, June 20 to Miller State Park. We will be hiking Pack Monadnock. Details of the trips are outlined below. Permission slips and a medical form for BOTH trips are attached. There is one permission slip and medical form for both trips. If your student is only attending one of the trips, this form still needs to be sent to school. Completed permission slip and medical form are due by **Friday, June 9th**

**Miller State Park:**

We will depart the school around 9:30 and will return by 2:00. Students will need to bring a bag lunch and plenty of water to drink (NO glass please). All students will be hiking up the mountain so they MUST wear appropriate footwear. This means sneakers or hiking boots – NO SANDALS or FLIP-FLOPS will be allowed due to safety concerns. If your student arrives in footwear that is not appropriate, you will be contacted to bring in better shoes or your student will not be able to hike. Also, bug spray would be a good item to have as we will be in the woods. A reminder that school policies regarding dress code and behavior apply as this is a school trip.

**Keyes Field**

We will be departing the school around 9:30 and will be walking to Keyes Field. We will return by 2:00. There is no cost for this trip. Students will need to bring a bag lunch (NO glass please). Students can bring sports equipment but they are responsible for carrying all equipment to the field and back. Sunscreen is a good idea for this day since there is not much shade at Keyes Park. A reminder that school policies regarding dress code and behavior apply as this is a school trip.

Attached to this page are the permission slips and medical release form. Please sign and return the permission slips for BOTH trips and the medical form. A parent/guardian signature is required on the permission slips AND the medical form along with a number you can be reached during the days of the trip. A completed medical form MUST be turned in prior to the field trips. We cannot take this information over the phone on the day of the field trip.

If you have any questions or concerns, please feel free to contact any Team Navigator teacher.

Sincerely,

Mrs. Dobson

Mr. Erdody

Mr. Evans

Mr. Ingram
