

Grade 7 Summer Reading!

Dear Parents,

To prepare for 7th grade, we suggest that your child read any of the highly-readable, high-interest books on the back of this sheet. Though this is not an assignment, the ideas presented in these books will be discussed during your child's 7th grade school year.

Please be aware that not all of these selections may be appropriate for every reader. Please help your child to choose those that are appropriate for him/her. You can refer to www.amazon.com for a summary of each book & reader reviews. Additional book recommendations can be found on the Wadleigh Memorial Library website: www.wadleighlibrary.org/

If you have questions please contact Rose O'Neill-Verney, Milford Middle School Curriculum Coordinator at 673-5221, x1530.

In addition, there are games which will help to reinforce 6th grade concepts on Mr. Erdody's website: <https://www.quia.com/pages/erdody.html>

Thank you and have a great summer!
