

The Souhegan Sustainability Fair is **BACK!**

Saturday, April 14th
10AM-4PM
Wilton-Lyndeborough
High School

Join the conversation. A panel of NH State Reps discuss pipelines, climate change, water, alternative energy — and answer **YOUR** questions live from the audience.

Culminating in a tour of Frye Field at 5pm
and a reception at High Mowing School

- **family-friendly, free event**
- exhibits, presentations, workshops and demonstrations.
- story-telling by Papa Joe and educational activities for kids!
- Café with food for purchase and live music from 10-4
- Farmer's Market will have fresh produce and NH-Made products

Sponsored by the Wilton Conservation Commission
and open to residents, students and visitors from anywhere.
