The MMS-PTO is a volunteer group of parents, grandparents, teachers, and school staff who organize events and fundraisers to directly benefit the students, teachers, and programs of Milford Middle School. Our efforts have funded the 6th grade Nature's Classroom camp nurse, school assemblies, field trips, books for the school library, a Lego Kit for the Innovation Lab, banners for the gym, teacher appreciation events, and more. We need volunteers to contribute by organizing events, helping at events, running a fundraiser, making phone calls, writing thank you notes, baking goods for events, and much more. Many hands make for light work!

MMS-PTO BOARD OPENINGS

The MMS-PTO Board of Directors consists of five officers who are charged with oversight of our non-profit organization. The officers are President, Vice President, Secretary, Treasurer, and Co-Chairperson who are each elected for a two-year term. We have openings on our Board beginning with the 2018-19 school year. The term begins in May 2018, with the annual planning meeting. As a 501c3 organization, the MMS-PTO is required to maintain a Board of Directors with a minimum of five officers. To continue our ongoing support of Milford Middle School, we need your participation to avoid the need to dissolve the PTO.

To express your interest in joining the MMS-PTO Board, please contact incoming MMS-PTO President Marguerite Caron by April 16, 2018: nhmmspto@gmail.com
