

Welcome to Eighth Grade. We are looking forward to having you in our classes for the coming school year.

Eighth grade serves as an important final stop on your journey to high school. To be successful this year, and in your future, you will need to be organized and prepared for each day of class. Using your Agenda Book provided by the school is an excellent way to keep up with your assignments and an important organizational tool. All teachers expect good behavior, good effort, and neat work from you. Take pride in all that you do!

***Organization is the key to your success*** as a student and to assist you we have developed the following list of required materials for each class.

**The following items are required for your classes:**

**TEAM FREEDOM**

- 1 - One subject spiral notebook (Social Studies)
