READ-A-THON

The **Sixth Grade** is hoping to offer your child the educational experience of one or more field trips this year. To offset expenses we are planning a READ-A-THON. This fund-raiser will reduce the per-student cost for our field trips. We will be reading for 90 minutes on **Friday, February 22**.

With your support, we suggest your child acquire pledges in dollar increments. All donations should be collected and returned to school before the read-a thon.

Please remind your child to have a few independent reading books on Friday, February 22. On that day students may bring a pillow to make the reading time comfortable.

The ***signed pledge sheet*** and ***pledges*** are due by **Thursday, February 21.** Parents, please sign and return the Read-a-thon Pledge sheet - even if there are no pledges.

Make checks payable to the Milford Middle School. Thank you for your support.
