

Milford Recreation Department has been able to secure a limited number of tickets to see Monster Jam at SNHU Arena in Manchester.

Buckle up for the greatest motorsport spectacle on earth, as Monster Jam heads to you! Going strong since the early 1990s, this bone-crunching, fuel-injected show gathers together the best drivers and monster trucks in the world to face off in the hopes of making it to the finals in Las Vegas. Monster Jam is divided into racing and freestyle, allowing the drivers to go head to head, and then show off their jumps, wheelies and donuts solo. You won't believe the tricks these hulking gas guzzlers can pull off. Great family entertainment, Monster Jam is also a must for any petrol heads out there!
